“ I had the pleasure to work with A.D. for 11 years at Briggs & Stratton. During this time if he ever had a bad day you wouldn't have known it. He was always upbeat and happy. He was looking forward to his retirement years and I am sad he didn't get to enjoy it but he is celebrating now. Cisco King

“ *Such a friend as it is, that I have in Jesus. That's what he shall always be to me. Never shall forget the joys, the highs and lows of laughter we shared together, and more or less how he took on a joke with no harm taken. To the family I say, be encouraged and know that AD is safe as ever in The Arms of Abraham. AD, journey well my friend as you destiny towards that open shore.*
