“ *I met Ms Johnson during my sister, Josephine Gray Braverman's illness. She called me daily to check on her during her sickness and was also so supportive when she passed. She was the sweetest and kindest person that one can have as a friend. She was a dedicated missionary of Thompson Chapel. RIH servant of God.*

“ My fondest memory of Mrs. Ametta Johnson happened when she was my Fourth Grade teacher. Her energy and expression as she would read a book or teach us Arithmetic held the whole class spellbound. I'll never forget how she helped shape my educational career and afforded me such a memorable experience. Long before I knew she was my cousin I wanted to be an educator and by God's grace I was able to reach that goal. I'm presently retired but because of Mrs. Johnson and how she lived in excellence I'm still a viable productive citizen. Ametta you moved in excellence I thank God you were a part of my life. Rest on dear cousin I'll see you on the other side. Always your cousin Dinah.
