The Dumas and Cattage family have been true friends ever since I met them. They showed me what a true neighbor was, and their love was genuine. I miss you Bev and we'll see each other in days ahead.

“ *Bevelyn and I are not only related we are friends. Over the years there are many stories I could tell but what's most important is telling she was a good person and friend.
It hurts to have to acknowledge she is no longer with us but her sweet spirit will live on.
Bevelyn PLEASE KNOW you are loved*
