“ Dad 😔 can you hear me ? I miss you sooo much I wish I could hear your voice. I had a dream about you last night you were giving all your kids checks that would have us set for life. I remember in the dream where you was trying to tell us that your time has ended and that you loved us. I didn't want to believe that you were leaving so I cried and cried and ended up waking up out my sleep. I love you and keep watching over me.
