“ *I have lost my best friend and confidant. Over the years we have shared lots of laughter, secrets, tears, and political disappointments and joys. She was like a sister to me, not just agreeing with me concerning some of my crazy ideas but willing to let met know they were crazy and that she was not going to have any part in it. Our friend spanned over 60 years, from elementary, through high school, through college at Tuskegee Institute, and beyond. We shared common interests in the 4-H Club and common career choices in Nutrition and Dietetics. I am truly going to miss our shopping trips, cooking together, sharing recipes, and just visits. Although, this pain and hurt will eventually fade, my loving memories of her kindness, laughter, smile, and friendship will remain forever.*

My prayers go out to Frazier, Shannon, her sisters, and brothers.

*Farewell My Sister Friend
