DR

“ Cecil, I will most definitely miss you. I would have never thought that our last conversation would be the one we was having a few days before your passing on your porch. I must say that you will be truly missed. No one could make me laugh the way you could. My heart is hurting, but one thing I know for sure is to be absent from the body is to be present with the Lord!!! Forever in my memories!! I will post this bear the way you hugged my son that day!
