“ Anthony and I were so sad to learn of Cedric's passing. It was the Corvette that joined us together and we know he REALLY loved his Vettes. We always looked forward to that big smile at the ICCC quarterly meetings and the July convention. May God continue to comfort you, family and give you strength. Gone too soon, my brother.

“ I greatly enjoyed working with Cedric and Jennifer and CJ last year on helping them purchase their lake home. We all enjoyed looking for the home and Cedric especially enjoyed working the deal ! Cedric is now in his new home which is many times better than the home he has left behind. May the LORD bless Jennifer and CJ and guide them through this time of sorrow.

“ I met Cedric when he transferred to Alagasco in Birmingham. He was more than a co-worker, he was a friend who I could always count on for sound advise (he would always tell me you'd better listen to your big brother). He was an honorable man who loved his family. Today your Alagasco family grieves, for you will truly be missed. Rest in heaven Cedric for to be absent from the body is to be present with the Lord

“ When I first met Cedric he was introduced as Big Grip or at least that's what I thought he said, he may have said Big Griff (would make sense) but I've called him Grip all these years. He was a man who loved his family and wanted to see them happy. The last conversation I had with him, he was talking about making his wife happy with her dream home and as only he could do it, he did. Rest In Peace my friend for I am truly sadden of the news. You were a man who had it all together and I will miss you. Whenever he would say something that I agreed with, I would say " you vetter know it" for he loved the corvette. 😎 Jennifer and CJ my prayers are with you.

Signed: T.L.
