“ To Uncle Ebo, thank you for being a “big” little brother to my mom. You were her rock and even though you were younger, she said you always looked out for her. I am comforted by the love she had for you. I will cherish the memories of love and family, and of the pictures and stories of so many beautiful family gatherings shared. You will forever be with us in spirit and forever loved. Well done and now, rest. Love, your niece DeeDee.
