“ *David took such good care of everyone and everything at the AU swim meets and every day during practice. He was a great man and a kind man, and we'll all miss seeing him at the pool. He and Ken are as much a part of the AU pool as the water itself.*

“ *Dave became part of a culture at the Aquatic center with his low-key approach to an often intense atmosphere at the pool. Dave was always quick with a hello and a tilt of the head, always a guy that was reliable and consistent. I used to give Dave grief about his smoking and he'd just smile and tilt his head :). In Dave's first few months he would wear a life jacket around the pool-I don't know if he ever learned to swim but he did get comfortable with the environment and Lord know he made the environment more comfortable for us. Dave may you rest in the arms of Jesus as you pass on to heaven - I look forward to seeing you there soon my friend. David Marsh '81*
