“ *Diamond, to me, was exactly that. She was a jewel. She lived next door to us for a few years but she and her family became so much more than neighbors, they became family!! She asked me if I would be one of Bryson's godmothers and we blossomed from there. She referred to my children as her brother and sisters. Memories of her smile, her laugh, her outgoing personality will forever be etched in the hearts of me and my family! I love you baby girl and thank God for allowing you to be part of my life! Rest now in Jesus.*
