“ *My heart is still just broken and spirit is crushed in the loss of my dear mother in law. Whom I loved very much and viewed her as my mother. She is so deeply missed. Looking forward to a time when we all will be united with our loved ones. Promises of Jehovah helps us endure. Jehovah promises that the dead will live again. (Isaiah 26:19) They will be brought back to life. That is the hope of the resurrection (Job 14:13-15.) .“If a man dies, can he live again?” Then he said to Jehovah: “You will call, and I will answer you. You will long for the work of your hands.” Going to endure with many tears until fulfilled promises.*
