“ *Mrs Eddie Mae Dowdell affectionately known to the silver sister circle at Edna Mae Lockett Personal Care Home, You will be surely missed and I can say Thank You. It was my privilege and a pleasure to have been a part of your care team and a blessing to have made your acquaintance. It is not everyday that you get to meet a senior, a grand senior of over 100 years old in the African American community and quiet force that you were known to be... I have been blessed by your wisdom and I will never forget you. God has called you home and I rejoice in the fact that I had a chance to experience a godly, historic woman who made every day a blessed day just by being present and in the moment. Rest in Heaven Ms Eddie, love Ms Ronnee Harris*
