“ *Minnie, Andre and Family,*
It's hard to know what to say, except that we are thinking of you in friendship and in sympathy.
"Lock" became a friend after he came to Roanoke in the early 1970s with his Knoxville College football teammate Richard "Poin" Poindexter. He later was a member of our wedding party. Lockhart and Richard shared some fun and wild times at KC, especially during a losing football season. It was fun listening to their versions of the same story.
Although it's been quite a few years since we've seen each other, the occasional phone calls to and from "Lock" were always encouraging. He's left many memories that we hope you treasure.
As you go through this transition, please know that we are remembering you and honoring the memory of "Lock."
