Aunt Honey was truly an angel. And I really miss her. My heart is deeply saddened by her passing. A piece of me went with her when God took her home.

“ Going home can be a bag of mixed emotion. One you happy to be going and you can not wait to see your friends. 2nd getting prepared for the trip can be stressful. But most of all nothing compares to the warm greet you receive when you get there. Elizabeth it has been great knowing you. And I look forward to seeing you again. Robert Davis. “ Aunt Honey was one of the sweetest, Whenever I came to see her when she was at home she always had my favorite dessert a chocolate cake and a big lovable smile and always had something positive to say and I am really going to miss her. I could not love her anymore if she was my own mother. She was a very bright spot in my life. And I loved her very very much.
