“ Eric was a classmate of mine. If we ever had a gathering he would be there. If we ever passed by one another, he would always take time to talk and reminisce about school and how adulthood is a trip. He will be greatly missed, his presence was always warming. Rip Eric

“ *Every morning I wake up and put on a mask.  
The mask makes everything seem all right,  
But they don't know I cry at night.  
The nightmares just won't go away.  
If only I knew it was your last day.  
The feeling just won't go away.  
Everyone thinks I've dealt with your death the best,  
But without this mask I'd be a mess.*

*Thank You for your Friendship-Love Always,
