“ *Eva Lilly was simply the best person to have had that very important position in our department, a job she held for 42 years. Our department and its programs would not be what they are today without Eva Lilly's hard work. She was simply the kindest person I have ever known. She has been missed daily since she left Auburn, and rarely a day goes by that she is not remembered fondly by those of us who knew her. Our thoughts go out to her family and friends. “ *There is a bridge that takes us home, We cannot walk around.
When we see God's outstretched hands, We know we are homeward bound.
We must not grieve, when loved ones leave.
Only God knows what is best.
When our work on Earth is done, We must cross the bridge of rest.*
