“ *Oh how I love Jesus, because He first loved me. And because of His love, I say thank you Lord for giving me the joy in meeting and sharing a great number of years in friendship with this young lady, your child Florel. Still in remembrance from the very first moment I met her up to this present time, I have so much respect for her. That loving personality she personified, like the wings of a beautiful butterfly and the humbleness like the dew in the morning, never shall I forget. You're always in my heart. Rest in Paradise girlfriend.*
