“ I retired from Opelika PD after 34 years of service, and made 50 years in the law enforcement realm on August 29th of this year. I say that just to let those of you grieving Mr. Rowell’s passing know that in that time and traveling all over the state for the past 16 years—I’ve yet to meet a kinder, nicer, more personable man that he was. It was always a pleasant experience going through his post at the Justice Center or Sheriff’s Office. As I reflect on life, as we all do more often as we age—what better compliment can you pay someone than to say ‘he was truly a NICE man!! Cherish your memories of Mr. Freddy—my friend as well.
