“ *My fondest memories of Geoffrey is how he seemed to enjoy his special meals. He would give me the biggest smile. I enjoyed sitting with him his last days and laughing and watching TV shows with him. He is missed soon much! Love you Geoffrey!*

“ Geoffrey Jerome Lyles, my one and only nephew, was so, so, special to me, still is, and always will be. I remembered when I had the pleasure of laying eyes on my nephew for the very first time in the home of his grandmother, the late Mrs. Juanita T. Lyles Trimble.

Geoffrey's mom and dad had been stationed at Lackland Air Force Base in Texas. They walked into our home after the long, long drive from Texas. My nephew had on a little black fluffy beanie hat, or maybe it was white, mom?, well bundled up and he was stashed in the arms of his loving mom, as it was rather cold. When they stepped into the front door we were all waiting to catch a glimpse of our very first grandchild and nephew and to just hold him, kiss him and say hello. I reached for him, he looked at me with that big beautiful smile he possessed, he came to me, I kissed and hugged him as the whole family did. I could not explained how much I loved him then, now and later. Thank you Joann for this beautiful, beautiful child of God you and my brother brought home to us. Geoffrey had lots of love from all of his family, and I have had the opportunity to see it throughout the years. He was blessed and will be a strong and absolute presence in all our lives. Today, we return him to God and continually ask God to help us to settle into and rest in this fact. He is with God now and at peace. I love you nephew, will miss you and know you will always have a place in my heart, all of our hearts. Truly loved by your auntie, Audrey
