“ I remember George as looking very serious but having a great sense of humor. I am glad to have been able to see him in Alabama late October 2013. I had not seen him for over 50 years. He could still make me laugh when he made his funny comments in a serious sounding way. I loved the comments he made about Bernice's garden and flowers. The comments he made about Zion at the Hill AMEZ and Shiloah AMEZ Church were priceless.
