“ Like the dew on the meadows this sweetheart of a friend indeed true to the soul of all who shared her friendship makes it every bit of what love was all about in having Gwen around. I'm so grateful to have been one of they who was afforded her love and friendship. When those Golden Gates swing open my dear friend, take your place and rest peacefully in Paradise.

“ My beloved cousin. We have made so many memories together down through the years. We have pretty much the same sense of humor and I believe that is why we were able to laugh, laugh and laugh when we were together, MY heart is broken into many pieces.
