“ My condolences to the Washington family. Mr. Washington he was an awesome man and well known throughout the surrounding cities both near and far. I pray that God will strengthen the family during this difficult time.

“ My prayer is that my Granddad is remembered for the man he was in his best years.
Not the man he was brought down to be, by some “friends & family”. My grandfather gave all of our family more than they deserved, for as long as he was able to.
His company H&W concrete finishers employed several men throughout the community as well.
He did not deserve to go out the way he did. Sad and in the care of people whom did not care for him.
My only closure is that you are in perfect peace now.
I love you & we will seek justice for you.

“ Daddy,
I am missing you so much right now.
I know you will always love me as I of you.
You told me not to cry. But, I am doing the best I can. I know with
God, my three sons along with friends and family I can do this.
You were an awesome Father and Grand-Father.
A man who taught me not to fear man, but to fear God. Thank you!
I thank God for allowing me to know you.
I will always love you, Daddy. And I know you will always love me...
Rest in God's care until we meet again.
