“ Mrs. Jackson was my 6th grade teacher at Morris Snower School. This lady is why I passed. She was great teacher. I still have paper clipping when they opened Renees Mod Shop. I always would run into her about town and I always got a hug. RIP my friend. Thoughts and prayers for Renee and family.

*Mrs. Jackson was my 1st grade teacher at East Street. She rescued me one day I had passed my room gone on to the outside from the basement. Of course I was boo hoping so loud she came out to me. I never got lost again!!!*

*I'm just seeing this (3/22/25) obit. She, Ms Cobb, Ms Bedell were in those basement classrooms. We had good memories of activities we shared and the lessons we learned at East Street School!!!*

*I remember we were so excited for her when she had Hardenia, can't believe how time has pasted yet we recall the wonderful moments of our lives. Thank you Mrs. Jackson for your service to us, the children of Opelika.*
