“ *Jake will be missed. He will always have a special place in our hearts. He and my mom always kept in touch and when he couldn't get in touch with her (she was in the hospital), Jake sent his brother to check on my mom. We really appreciated that. I can remember him from a child to an adult, his demeanor was always calm, sweet, and gentle. We love you Jake you will be missed. Mollye, Brenda, Bernard, and Brian (my brother Broderick) as he would call him.*

“ The dignified manner in which Jacob faced his homegoing is an example of how I will realize my own mortality. WOW! What a brother. Thank you, Jake. I will always remember and love your shining light. Baby bro, Darrell.
