“ *My name is Katherlyn Hunter, I remember meeting Ms Jessie Mae as achild when we moved to Bailey St.. We became friends with her children, There were four of us girls and she had 4 girls at the time. We all played together and Ms Jessie Mae was like a mother to us. we were in and out of their home and visa versa. She was a beautiful lady and treated us all the same. Since I returned to Opelika and called her she remembered me. She was a beautiful soul. They don't make people like her anymore. God bless you all and may God give you all the comfort that you need at this time.*
