“ *I Angela Screws and my brother Jonathan Screws were members of the Twin City Silverstone. We song with Jim Benford and family for many years. He would always have a story tell us about traveling the road, not only did we have friendship thru our family group, but as I myself moved on to another group called The Pilgrim Travelers. I thank God that had the pleasure of knowing Jim and his family and that he will be missed. We send our prayers to his wife and children. We pray God will continue to keep you all .*
