“ Aunt Johnnie was a very sweet, kind and loving person who had a great love for her family. I will always remember the stories that she shared about her childhood memories. She would always refer to my mother (Betty) as "The Baby" who always kept everything so clean. Every time I would see her she would greet us with a beautiful smile and she always made us feel right at home. Aunt Johnnie you will be greatly missed and I will always keep memories of you in my heart.

Love  
Debra

“ *Jackson Family,*

*My sincere condolences to you during this difficult time. Continue to trust in the Lord, for he will be your foundation of strength & support.*

*Jerry,*

*When someone you love becomes a memory, the memory becomes a treasure. Cherish the memories & take comfort in knowing that she saw the best in you! You truly gave her flowers while she yet lived and modeled grace, strength & class at all times. She left her footprints in the sands of time and left no regrets. I admired her mannerisms, she truly lived, laughed, & loved everyone (family by DNA or not)! Now you be sure to get Mama Jackson her "beads" (pearls) to ensure she looks pretty while dancing around heaven! :)*

*Heartfelt prayers of comfort to the family,*

*Sincerely,*

“ To Jerry & the Jackson family.  
Brother, my heart is breaking for you & your family, as I know Mrs. Jackson was the sun, moon & stars in your life. Having had the honor of meeting this incredible lady & hearing her stories, I know the world is now missing an angel. She has gone on to Glory & looking over us, as all angels do. I hope that knowing she walks with our Lord now, brings you & your family some peace.
