“ *My selfish wish is that you were still here with us, Kenneth. We all miss you so terribly; your wry sense of humor, your intelligence, your kindness and thoughtfulness, your readiness to help our team, my early morning "Wisconsinite Bear Hat CHOP", and my "CHOMP" back to you. All of it. All of you.*

I'm so very grateful to your parents for bringing you into the world for us to love, and your family for raising and supporting you. You have been a gift. You're a heavenly gift now, and I've been praying, asking God to comfort your family, surround them with the warmth of friends, and give them the strength to carry on without your earthly presence.

God bless you Kenneth, and may God bless your family.
