“ *Miss Boyd,*

I was so sorry to hear of the passing of your mother. I remember when I went to Auburn and was so excited to know your parents lived there and that your Dad was at the University Bookstore. I felt less homesick knowing there was a connection to MXR right there in Haley Center. I know your mother was a woman of God and this is just a temporary separation from her, but the grief is still hard to bear. I pray that our Heavenly Father will comfort you with His peace that is beyond our understanding. Thank you for serving our Lord through all your years teaching and using your musical talent. I have such special memories of my time at MXR.

Prayerfully,
