“ I'm beyond words and hurt at this time. I have been trying to reach Loretta since our last conversation to no avail. Imagine the shock and utter pain of finding out through my daughters from social media that she had past in 2022. I send prayers and peace to all who knew her. I especially send love and prayers to her beautiful daughter Camille , as I was given a bit of peace to see that she is now married with a family of her own. I know Loretta...(Lo Lo) as I and my daughters loving call her,.would be soooo proud. I don't know who will see this. But, I just wanted to say how much we loved Loretta and I will always hold her dear to my heart for ever.
