“Gone from sight but never from our heart. The reality is that you will grieve forever. You will not get over the loss of a loved one; you will learn to live with it. You will heal and you will rebuild yourself around the loss you have suffered. You will be whole again but you will never be the same. I am so sorry for your loss. My thoughts and prayers are with you all. Thinking of you all, ex coworker Nurse at Bethany House. Mrs. Selma B. Billingslea

“ I have worked with Micheal for almost 18 years. We have laughed and cried together like family. He will be missed by so many. He left a void at Bethany House and he can never be replaced. I pray for his family, friends and our staff as well as the many lives he touched. Rest on gentle spirit. We love you like a brother.

“ Michael (Head) was such an extraordinary (gifted) person. He would babysit me and my brother (Sherman-Doc) for hours, many of days. He taught us to ride a bike, shoot basketball, and to play kick ball. We loved Head, trusted him, and would follow him anywhere. It hurts me deeply to know that he will no longer be here in the flesh with us. I will always cherish the memories of his caring, loving, and sharing ways. I do acknowledge God's will. I pray we all find comfort in knowing that God loves him even more. God has prepared the beautiful city called Heaven for those of us who acknowledges, believes, and accepts his precious gift of the Holy Ghost. I do believe in my heart that Head is alright now. Family members of Head, I love you all dearly from the bottom of my heart. I pray that God grant you comfort and give you strength during this heartbroken and weeping time.
