January 29, 2023 at 11:13 AM

“ *I loved conversations about politics with Mohamed ! We agreed and that was nice! I remember my granddaughters got to meet him and played with his granddaughter kalia ! They were intrigued as I was with Mohamed ! He only had one arm as one was shot off in the Egyptian war! He was a kind and gentle spirit!*

jenny smith - January 27, 2018 at 10:06 PM

Mohamed lost his arm when he fell under the wheels of a train. He was never in the military.

Linda Mahrous - January 01, 2025 at 10:27 PM
