“ To the family of the late Moses Chisolm, please know that you all are in our thoughts and prayers during your time of loss. Moses was a very beloved family friend and neighbor to the Morse Family for over sixty plus years. His direct approach to taking care of any situation large or small and wanting nothing in return but a good conversation and to sit on the porch to laugh and talk was his reward. May you find comfort in knowing that even though he will be absent in body you will always have a special memory and love for him in your heart.  
God bless you,
