“ Your father and a few others were the heartbeat of the block back in the Bronx. I give thanks for that group phone call awhile back ya know. Thankful to have had the opportunity to tell him over the phone how much he meant to me... All of us. He was one of the TITANS of our time! Our fathers came home FAITHFULLY and took care of business with love. Now he reigns with our ancestors and the Source of ALL. Glory to the Highest!
