“ *Praying for the families. I'm so heartbroken about the passing of Pat. We go way back and we use to be neighbors. I went to see her several times, but she moved and I couldn't find out where her daughter lived. She had asked me to come and take her for a ride and I had planned to go get her this weekend to celebrate my birthday with me. We've had some wonderful times together and I'm already missing her dearly. One thing I can say about her is that she ALWAYS talked about God and praying when we was together, she was so fun loving and friendly, never a dull moment with her. She called me her big sister and I called her my Lil sister and I had big plans for us this summer, but God knows best. I didn't know that she was sick. I'm so heartbroken I can't hardly write. Rest Easy Pat and we love you, but God needed you now. Deb Tyner*
