“ *Dear Auntie, i was born on your Birthday i will always remember you for caring for my mom and her kids when we needed you. MY mom was able to leave my sister Shonda and I with you. We were about 4 and 5 year olds that really needed to have their mom around to provide comfort and reassurance. Auntie you were that for us and much more. . We will never for get you and uncle Cleo for being parents to us. I will always have a place for you deep in my heart. We always laugh about how you would send us to the store for your RC cola and how you like to eat eggs with ketchup. Those were the better days. Auntie rest in peace. I will always love you Tonya Tarelle.*
