Miss Patsy you were always so sweet to me when I worked with you at Belk's. You always had kind words and we would often laugh together. Hearing of your passing breaks my heart, but knowing you're in a better place brings a sense of comfort and peace. I extend my deepest condolences to your family during this difficult time. Patsy touched so many people and will truly be missed.

“ In 1982 at Jacksonville State University a group of 8 eager young women began a journey. That journey was a blessing-we experienced what sacrifice, dedication, and determination meant; it was a lesson in that we learned that we were on this earth to make a difference. Patsy was our “ace”, the first in line. She was our wake up call, our comedian, our leading actress, and a true friend. Our love for each other has carried us through good times, difficult times, and times of celebration. Our hearts are heavy since our chain has been broken. We have faith that one day we will all be together again. We send love and our deepest condolences to Patsy’s family. “Love lasts on”

“ Patsy was a sweet, kind and loving sister-in-law to me. We talked a great deal and shared a lot these last few years. She was so proud of being a twin that when she saw Patrick she would call him twin all the time. She will always live on in Patrick and in my heart. She ran a hard race and God saw her at the finish line. Patsy will forever be missed.
