“ Priscilla was a beautiful person. She always had a smile and a word of encouragement for the person she met. We will miss her, but we know that God allowed her to be amongst us for enough time to perform the duties that he sent her here to do. We love Priscilla, but God loves her more. God saw an angel getting tires, so he called her home. I can hear God saying, "Sit down servant and rest a while." God called one his better angles home.
