“ Linda and family we're so saddened last night to learn of "Man"'s passing. Wish we could have been with you yesterday for homegoing service. I remember a kind, compassionate, and calm cousin who took life as it came to him. Thanks so much for the two of you helping me early on in your marriage by staying with me in our house after my grandmother's passing in 1975; your presence made a positive difference. We will continue to pray God's blessing upon you as you endure this transition.
