“ I've always said that God places specific people in your life for reason. I met Ros through work virtually! She became my sister friend whom I had not seen physically until my wedding day. However, we talked every day all day as if we had been knowing each other for years. She was an amazing listener and friend that was full of laughter, wisdom and gave great advice. She will be greatly missed.

“ *Breaks my heart to hear this. Roz was one of my best friends in high school and was a bridesmaid in my wedding 35 years ago July 1st. Our moms were friends, my mom has often said she was leaving the hospital with me on Christmas Day after giving birth and her mom Ella was coming in to have Roz. I guess we were destined to be friends. You were such a beautiful person inside and out Roz. Rest easy sweet lady. My condolences to your family and all who love you.*

“ *To the family I share my sincerest condolences. I look at the picture of Roslynne and see that enduring beautiful smile I saw way back in high school. Thinking of Roslynne brings such happy memories, yet tears when I heard the news after all these years. May God Bless your family during this time. We all just got a Beautiful Guardian Angel watching down on all of us.*
