“ *To the King Family*

*We are sorry to hear about the passing of Ruth Mae King. Our thoughts and prayers are with the family. It is near good news when we learn about the passing of anyone. When death strikes, we are now left with a void in our hearts. Yes for years we have spent time building a strong bond of friendship with others. Now that person is gone. It is true that we still have the fond memories of that person. But in all fairness, would we not rather have that person back alive among us. Our thinking is not off base. This is what God also ants for us. So from the scriptures God provide this promise to the family and friends of Ruth Mae King. God states that soon He would call to those in the grave; and that our departed love ones will hear His voice and come up out of the grave. Does this promise sound to good to be true? Well it should not. Why even God raised His own son back to life. The resurrection of His son now makes possible other resurrections to follow. Our Creator wants s to be convinced that the resurrection to life would take place. So He has lovingly preserved nine accounts that speaks about this future arrangement. Yes a future arrangement that would benefit person like Ruth and billions of others who have died. Here is just one such example recorded at Acts 9:36-42. May we please encourage all to read the account. So please keep in mind the good news that God makes known to all. Yes you will see Ruth again. So all that you can to learn how you personally can benefit from this wonderful expression of love by God. Remember that God has given us His personal promise. God does not lie.(Titus 1:2)*
