“ Tim, whom we affectionately referred to as “Pooh”, was such a joy to be around. His unmistakable laugh and contagious smile always lit up any room. He has definitely left a mark in my life and the lives of those he has touched. His physical presence will be missed, but his spirit lives on. And to my friend Tim, sing those praises of Ave Maria as only you knew how. I am comforted in knowing our last words were I Love You. Continue to rest until we meet again. I am confident God has said “Well done”.
