“ Lockhart Family,

Tommy will be deeply missed. He was a great friend to my brother, the late Jimmy Lee "Nick" Nixon, JR. They had there share of fun...from hanging as youngsters to the birth of their sons and much in between. Throughout their lifelong friendship (brotherhood), Tommy became a surrogate brother to me and ultimately felt like family to our family. After the passing of my brother, Tommy remained faithful to the family. He came by frequently, hanging out as part of the family.

My children vividly remember him as, "Tommy, the Mailman". The funniest memory of him as "Tommy, the Mailman" was mama questioning him about her pension checks every month. :-) "Tommy, do you have my checks today?" He smiled and answered her questions patiently. Sometimes he would have the checks and sometimes mama needed to wait another day. When he had them, he would hold up those gold envelopes smiling before he approached the mailbox.

Wishing the family strength, peace, and comfort as you journey through grief to healing.

“ When my dad passed my uncle stepped in and I've never missed a beat. From my childhood until now he has always been here, correcting me when I was wrong, giving me advice and even being a big part of my kids life. He loved his family. I can't even let in compute in my head that he's no longer here. I love him but I know GOD loves him more. I know him and my dad and my other uncles are all together again. My uncle was a good man and I thank you JESUS for allowing us to have him for as long as YOU did!! I miss you real hard uncle tommie! I love you
