“ *Please accept my sincere condolences on the death of my childhood neighbor and friend, Tommy Lee Thomas. I have many fond memories of Tommy, my brother Sam Pearson and friends Bobby Jackson, Charles Harper playing on our dirt road and in the branch (Bailey Street) in the 1950's, before it became Orchard Avenue. He was such a high spirited, fast talking and humorous kid who kept us laughing. My prayers are with you during this difficult time.*

“ Tommy Lee was instrumental in getting me to school, as he drove Boot, Pumpkin, and me to Ms. Romae's house to catch Twin's bus. We even had breakfast at Ms. Romae's house before school. He called me "Skeeter." I remember Tommy Lee playing with us (Bellamy boys, Boot, Pumpkin, and me) in his back yard with the family garden hose after he washed his cars. I could go on about how neat he kept himself, his property, and his cars, but I'll stop here.

P.S. I'm doing what I can to delay my departure.
