I met Tracy while riding to UAB, when we realized we were both USMC veterans. We clicked sharing stories of the Corps, and our families. I didn't know she went home to the LORD, I just figured it out when I didn't get responses to my text. My heart aches for the family you have my deepest condolences. I'm glad we had the chance to have several conversations, unfortunately we never got to meet up for lunch to plan events for female vets. May she Rest In Peace, and I'm praying for the family.
