“ *Tyrone would always brighten my night with his smile when I came down for the Charleston City Night Market. We shared some great conversations those nights & encouraged each other to keep positive with our art. I'll miss him immensely. My thoughts and prayers are with all of his family during this time. The next time I go to Myrtle Beach I'll finally take his advice & grab some AYCE seafood buffet in his memory. RIP big guy.*

“ *Ty was such a valued member of our Old Dominion family. We were all eager to have him return to our team and are so saddened by his passing. He was a gentle giant with a positive attitude and kind word. He will be missed.*
