“ *Just One Day...*

*If you could come back for just one day
I know exactly what you would say.*

*You would say it's ok to be sad for a while
And that what you really want most is to see us smile.*

*You would want us to go on and live once again
Allowing the Lord to comfort our pain.*

*You would want us to know that you loved us with all your heart
And that you know that we didn't want you to depart.*

*You would want us to know that you are always here
We will see you again so this isn't goodbye.*

My love goes out to the friends and family of Valencia P. Banks.
