“ Dear Billy -

Saying good-bye is always difficult, especially when it's with someone as warm, loving, and generous as you. You were the epitome of "The Johnson Man" -- fun loving, serious, protective, taunting, strong, sensitive, gregarious, quiet, proud, humble, unpredictable, guided by an abiding faith, and all about family and taking care of business.

A like free spirit, ours was a bond that perplexed many. But no explanation is needed -- we are family! Although you will be truly missed on this earth, your light will shine in our hearts always. So, remain in God's grace until we meet again.

*Love,
Sharon Pugh

“ Rest in Peace my dear cousin, Billy. You will truly be missed by us all, especially your Johnson cousins. I will keep in my heart the beautiful memories I have of the times we spent together. Although, I feel like you were taken too soon, God had another plan in his infinite wisdom. As we grieve, I will continue to pray for your mom, your children, your siblings, and all of us for strength, comfort, and peace! Blessings to the family!!

Your first Cousin,

“ Rest in peace, my dear cousin, Billy. You will truly be missed by your Johnson family. I have a lot of good memories I have shared with you over the years. We hate to see you go, but God had other plans for you. You were taken so suddenly, and it is hard to believe and accept, but I submit to God's will. I am keeping your mom, children, siblings, and all of us in my prayers. God's blessings and mercy on us all.

Love from your Cousin
